

Print on card stock--one copy per student. Cut the 6 symbol cards apart, shuffle well, and place face-down in the a box or basket. Give each player an orange AUTUMN board. Use any stimulus materials (artic cards, vocab questions, curricular materials)

Each student in turn will perform the stimulus task. If correct, the student will choose a card from the box. If the student needs the letter drawn, the symbol will be placed on the student's AUTUMN board. If the student already has the letter, the card is returned to the box. Shake the box to mix up the letters. Play continues until one or all students have spelled the word AUTUMN.
