

Stand up,
spin around
and stick out
your tongue

Get the cup
and the
spoon and
feed the dog

Wave hello,
jump up and
down and
pick up the
ball

Stomp your
feet, make a
cross face
and say
“grrrr!”

Pick up the
blanket, give
it to me and
sit on the
floor

Stand up,
touch your
chair, and
put the bear
on your head

Tap your
toes, clap
your hands
and say
“woo hoo!”

Cover your
eyes, pre-
tend to
sneeze and
hug the dog

Spin around,
pick up the
spoon and
give it to a
friend

Put the cup
on the floor,
the ball in
the cup and
the bear in
the box

Pick up two
blocks, bang
them to-
gether, then
give them to
me

Wave to a
friend, stand
up and give
me a hug

Touch your
nose, then
the table,
then my ear

Pretend to
throw a ball,
jump up one
time and
clap

Shake my
hand, then
make the
bear hug the
teddy
