

COMMUNICATION BOOK/DEVICE PRACTICE

Choose five concepts/pictures/icons and place in the first column. (Pictures should be duplicated for column 2 – same order or in random order)

COLUMN 1:

Name the concept/picture/icon for student to practice “finding” in book or device.

When student “finds” what was named – the student or teacher can “check” or color in the red circle.

COLUMN 2:

Give a description of the concept/picture/icon, or give the student a “situation”

When student “finds” the right picture in book or device– color or check red circle.
