

Print on card stock, cut apart, laminate. Hand out cards to students in the group or class. Show photographs of people in action (verb & preposition photo cards, pictures from calendars or magazines, etc.). Pass cards to other students each time a photo is presented.

IEP Objective 1 -- The student will answer "wh" questions appropriately -- "who" with a person, "where" with a place, "what" with an object or verb, "when" with a time word.

IEP Objective 2 -- The student will generate a "wh" question to elicit information about a photo, event, or curricular topic.
