

Print on card stock--one copy per student. Cut large letter cards apart, shuffle well, and place in a box, face down. Give each player a team board. Use any stimulus materials (artic cards, vocab questions, curricular materials, etc.).

Each student in turn will perform the stimulus task. If correct, the student will select a card from the box. If the student needs the letter drawn, the letter will be placed on the student's team board. If the student already has the letter, return the card to the box. Shake the box to mix up the cards. Play continues until one or all students have spelled their team's name.
