

I need help with something.....

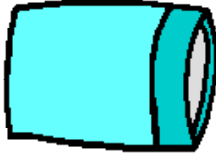

head

up

fix my pillow

bathroom

TV remote

nurse call button

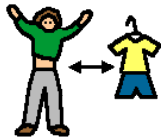

feet

down

Please wash & change me.

blanket

glasses

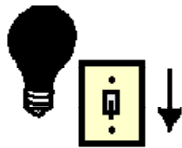

clean glasses

turn lights on

turn lights off

open/close curtains

telephone

listen to music

doctor

lip balm

lotion

eye drops

wash my face

sit in the chair

go to bed

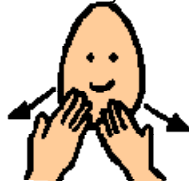

stop

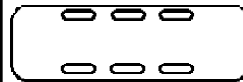

that's okay

thank you

Get me off this board!!!

leave me alone

don't leave
