

Language focus: Irregular past tense

Instructions:

- Paste present tense verbs onto one color (eg blue) paper/card and irregular past tense onto a different colour (eg orange).

- Cut out and laminate.

- Explain to children that the blue cards show what a person is doing now or like doing. The orange cards are pictures of what the person did yesterday.

- Children can play memory by matching one blue picture card with its orange partner.

Eg. This boy is swimming. Yesterday he swam.
