Print on card stock--one copy per student. Cut the 6 symbol cards apart, shuffle well, and place face-down in the a box or basket. Give each player a gold Olympics board. Use any stimulus materials (artic cards, vocab questions, curricular materials).

Each student in turn will perform the stimulus task. If correct, the student will choose a card from the box. If the student needs the symbol drawn, the symbol will be placed on the student's Olympics board. If the student already has the symbol, the card is returned to the box. Shake the box to mix up the symbols. Play continues until one or all students have matched all of the Winter Olympics symbols.
