

Print on card stock--one copy per student. Cut large letter cards apart, shuffle well, and place, face down, in a box or basket. Give each player a red PICNIC board. Use any stimulus materials (artic cards, vocab questions, curricular materials, etc.).

Each student in turn will perform the stimulus task. If correct, the student will choose a card from the box. If the student needs the letter drawn, the letter will be placed on the student's PICNIC board. If the student already has the letter, the card is returned to the box; shake to mix the cards. Play continues until one or all students have spelled the word PICNIC.
