

Print on card stock - one copy per student. Cut large letter cards apart, shuffle well, and place in center of table. Give each player a blue Sponge Bob board. Use any stimulus materials (artic cards, vocab questions, curricular materials, etc.). Each student in turn will perform the stimulus task. If correct, the student will choose the top card in the pile. If the student needs the letter drawn, the letter will be placed on the student's Sponge Bob board. If the student already has the letter, the card is returned to the center in a discard pile. Play continues until one or all students have spelled the words Sponge Bob.
