

SPEECH

Dear Parent(s),

The summer months are fast approaching! The children have made wonderful progress; I am delighted with each and every one of them! I have had the opportunity to meet many of you this year, you are a caring group of parents who want only what is best for your children. Thank you for taking the time and putting in the effort to help your son/daughter with their speech work at home. Now, I am going to pose a question to you...are you interested in continuing with the speech work at home over the summer? If so I will send you updated word lists and activities that can be completed over the summer. Please send the attached form back with your child. Thank you!
