

What animal says meow?	What do you wear on your head?	What comes out in the sky at night?	What do you use to drink with?
What do you use to cut paper with?	What do you wear on your legs?	What do you pour on cereal?	What fruit do you put in apple pie?
What makes it light during the daytime?	What animal flies?	What fruit is yellow and has a peel?	What do you use to keep the rain off you outside?
