

We know our Flu Facts!

We know our Flu Facts!

We know what to do. We know our flu facts!

We know to: Wash our hands often.

We know to: Cover with tissue when sneezing.

No tissue? No Problem...

We know to: Sneeze or cough into our arm.

We know to: Stay home with a fever.

We know to: Get the flu shot!

Learning our flu facts will help us stay healthy!
