

WHERE is the Dog?

Directions for making the book:

- print out pages, cut apart (1/2 pages), laminate if possible
- make into half-page size book...can use loose leaf binder rings to bind

Directions for use:

- read the main sentence, say the cue question, and wait for the answer from your student
- provide the beginning of the sentence (semantic cues) if needed

Target audience:

- young elementary students, especially those in pre-school, K, or 1st grade who are working on goals for WH-questions.

Variations:

- *Print a set of dogs, laminate, and have the child match the dogs with velcro during the reading
